

Friday Volunteers –

Thank you for your time! The set-up process for MCC is key to our success on Saturday.

Friday night volunteers will consist of MCC Managers, JV and MS parents/cheerleaders. I truly appreciate your time and hope to make the set-up as efficient as possible so we can all attend a portion or all of the home football game (Mustangs vs Lassiter Trojans)!

Below is the link with volunteer duty updates.

ALL VOLUNTEERS SHOULD REPORT TO THE BUSPORT FRIDAY, @ 5PM.

- Your cheerleader will be bringing home a parking pass for you to gain access to the bus port as football will be manning the bus port gate. You will need to display/show this pass to gain entry.
- Please park to the right, near the marching band tower to stay out of the way of incoming Lassiter band/football team traffic.
- Our Mighty Mustang Marching Band is rehearsing right up until 5pm in the bus port, so please be gracious and allow them time to exit should they run slightly over.
- Enter the first set of double doors (look for me to greet you) to check-in and receive directions to your set up location.
